Chief, International Division
Bureau of the Budget
Washington, D. C.

Dear Bob:

Yesterday you mentioned you were going over our proposed early retirement regulations and thought they were in good shape. We are most anxious to get this program under way and would much appreciate the earliest possible official clearance by your office. We will then inform the appropriate congressional committees as to how we are implementing the statutory provisions. If you or your staff have any questions, please let us know and we can meet with you at any time.

Sincerely,

s/ Lawrence R. Houston
